Safety Procedures

- **Emergency Drills:**
 - **Fire**
 - **Weather/Shelter**
 - **Lock Down**
 - **Evacuation**
- **Please Exit the Building or go to a safe location IMMEDIATELY**
- **Become familiar with what to do or where to exit the building**
- **During a Lockdown Drill, go to the nearest classroom and follow the teacher's directives.**
- **Please keep doors secured**
- **Please do not allow anyone to enter through outside doors. Locate a staff member if anyone approaches a door.**
- **Keep your badge on you at all times.**
- **Safety First!**

The background of the slide is a vibrant jungle scene. It features large, dark green trees with thick trunks and dense foliage. A prominent vine hangs from the top left, curving across the upper part of the frame. The ground is covered in various green plants, including large, heart-shaped leaves in the bottom right corner. The overall color palette is dominated by different shades of green, with a light beige background for the text area.

Check Out Procedures

If you plan on taking your child with you at 2:50, please submit a transportation change making your child a car rider before 2:00 PM. Please report to the front office to check out your student. Your child will still need to be scanned before they are released.

bushtransportationchanges@conroeisd.net

Please remember instruction ends at 3:00PM, and every minute is valuable to student's education and growth

No Exceptions: Students may not be released to you directly from their classrooms.

Room Parent and GLCs

Please refer to the Room Parent Handbook for additional information at

[TinyURL.com/BushRoomParentHandbook](https://tinyurl.com/BushRoomParentHandbook)

There will be short meeting for Room Parents and GLCs after this orientation.

Copier and Laminator Training

- Please meet in the work room after this meeting
 - Offered again at 1:30pm

The image features a central text area framed by stylized green foliage and tree branches. The text is written in a bold, orange, sans-serif font. The background is a light green gradient, suggesting a forest floor or sky. The foliage includes various types of leaves and branches, some with dark green outlines and others with lighter green fills.
